BYOD & Acceptable Use of ICT Student Agreement

Year 5 and Year 6 students must read and sign the BYOD Student Agreement in the company of a parent or guardian unless otherwise directed by the principal. Please return the signed copy to the office prior to bringing in any device to school.

I understand and agree that I will abide by Merewether Public School's BYOD policy and Acceptable Use of ICT Student Agreement, and that:

- I will use the school's internet services for learning.
- I will only use my device during school activities with teacher permission.
- I will use my own log-in details and will never share them with others.
- I will stay safe by not giving my personal information to strangers.
- I will not hack or bypass any hardware and software security implemented by The Department or my school.
- I will not use my own device to knowingly search for, link to, access or send anything that is offensive or inappropriate, threatening, abusive or considered to be bullying.
- I will report inappropriate behaviour and inappropriate material to my teacher.
- I understand that my activity on the internet is recorded and that these records may be used to review my actions.
- I will leave my device in the designated secure classroom space(s) when it is not in use.
- I acknowledge that the school cannot be held responsible for any damage to, or theft of my device.
- I understand that I must bring my device to school fully charged and in a carry case every day and that it is my responsibility to conserve battery by shutting down/sleep mode when my device is not in use. I will provide my own mouse, if laptop track pad is difficult to navigate.
- I understand that technical support at school is limited to school network needs. Teachers are not expected to resolve hardware or non-school or DEC recommended software issues.
- I have read the BYOD Student Responsibilities and agree to comply with the requirements.
