In KJ we have been learning about minibeasts. Such as ladybugs, bees, dragonflies, caterpillars and spiders.

KJ are learning to write acrostic poems.

Look at how clever we can write acrostic poems about spiders.

Another successful 'Waste Free Wednesday'.

Just about everyone from 1/2 N packed nude food in their lunch boxes.

No need for bins today as most children at MPS brought reusable containers for their food.

We are winning the war against waste.

Merewether Public School - P&C News

Term 4, Week 7

big day out

The school has asked if the P&C can help provide lunch for the children at the annual Big Day Out event in the last week of term on Wednesday 13th December. *Please get in touch if you are able to help out.* We'll be emailing our members and volunteer list asking for helpers soon.

The P&C will be providing all school staff with lunch towards the end of year to say thanks for all their assistance throughout the year. Once again staff went above and beyond this year, and didn't hesitate in doing things like volunteering to give up their evening to help run P&C events. Thankyou!

THANK YOU TEACHERS AND STAFF

Orders due in today!!

There are spare order forms and envelopes at the office. Please place orders and correct money in the black P&C drop box.

A team of little animals and a team of big animals decided to play soccer. During the first half, the big animals were winning. But during the second half, a centipede scored so many goals that the little animals won. When the game was over, a mouse asked the centipede, "Where were you during the first half?". He replied "Putting on my shoes!".
